My Example Game-Play

Skills, Hobbies, Niches:

Quests & Achievements section:

[x] Dinfos Journalism school

[x] Military-service completed, At-Sea familiarization and qualifications, Damage-Control fundamentals, CPR, Fire-Fighting, Physical Security, etc. Heavy in soft-skills, team-building and working, increased aptitude for flexibility and Devising of solutions with limited materials.

[x] established self environment (a workshop)

[] smart-workshop, computer vision operation, real-time data entry at various locations/universally (development of a 'pokedex' for KINGDOM practitioners), Implimenting the 'KingdomDex' into a all-in-one carry solution, or smart toolbox.

OBJECTs & ASSETs (o&a)s

Assetts and Object accumulation and accountabilities:

E

Products

-KINGDOMDEX – handhelped all in one extremely portable data capturing mechanism.

- DexBOX/Backpack – A toolbox for mobile jobs, on-site use, remote work that's decently established and location-volatile, service-based actions.
- 10×10 Modular KINGDOM SMART-WORKSHOP unit. The OFFICIAL 'Kernel' of KINGDOM. + add-on modulars.
- Station Systems – SMART desk, workbench, tooling-storage, cleaning-station
- KINGDOM Signature TOOL-Line. PINK TOOLING, facilitating computer vision based capturing of metrics.
- KINGDOM KITS – ex. electronic, woodworking, furnace, baking, tiling, molding, stenciling
- Equipment builds – screen printer, brick press, loom, etc..
- Invention Line- Z-POD, UNI-BLOCK, Tech-Tree, QUICKPACKs
- Physical General materials and product stores.
- Light frames
- Fish tanks
- Shadow Boxes
- COINS, BADGES, etc.

SERVICES

- exterior CLEANING AND RESTORATION, CAR-DETAILING, pressure-washing
- Moving, delivery, and logistics
- Woodworking
- Basic repair and mods (auto)
- Comprehensive Handyman services and mods (house)
- Workshop Station installation and MODS
- Employee Stat Logging (Data-generation, compilation, tracking, and analysis of individual 'employees')

- Upholstery/boat repair
- Custom fabrication of (collectibles): – wood, metal, molds, stencils, jigs, stamps, etc.
- Window repair
-
- Inventors CLASS
- Coding CLASS
- Workshop (guild) Memberships

SKILLS & HOBBIES

Processes:

-plastics processing

-metal melting

-brick-making

-Glass crushing

-cardboard box & paper moldings

-Hydroponic growing

-passive energy-capturing – (Solar hotbeds), Panels, hydro

-livestock raising

-water purifying and treatmenting

-composting

speculative (Future-Endevours)

-autonomous yard maintenance device/robot

-autonomous gardening

-autonomous cooking

-autonomous showering.

st

Stations

-Cleaning [x]

- 1. All-reaching Vacuum
- 2. Brushes, files, rags, clothes, absorb agents,
- 3. [o] pressurized-spraying/sink
- 4. [x] Lighting
- 5. [x] Hazmat & Chemical section
- 6. [o] Sand blaster
- 7. [o] Air-Hose
- 8. [x] Large garbage
- 9. [o] Soak-Tank

-Dissassembly [x]

- 1. Compartment Tray
- 2. [o] Built-in Digitizer
- 3. [o] Dedicated Cam Capture
- 4. [x] Lighting
- 5. [o] Modular {controlboard}

-Paint [o]

- 1. [o] Booth
- 2. [o] Humidity-control
- 3. [x] Consumables Storage

-Cutting[o]

- 1. Mitre-saw
- 2. Tile-saw
- 3. [o] Table-saw

-Hardware & Hazmat[x]

- 1. Compartments
- 2. Drop-box for disassembly (cached by type)
- 3.

-Electronics[o]

- 1.
- 2.
- 3.

-Material Storage[x]

- 1.
- 2.
- 3.

-Heavy-Work Table[x]

- 1. Heavy-Vise
- 2. Power-Bar

- 3. Lighting
- 4. Bench-Grinder
- . [o] Dedicated Camera
- . [o] Modular {control board}

-Tool-Storage (Chest)

- .Favorites/Frequents-BAY: Measurement, Marking, Calculating, Weighing, Measuring, Scribing, etc.
- . Drilling and Punching
- . Bits, Driver extensions, sockets, allen-wrenches, screwdrivers
- . sawblades, etc.

-Tool-Storage (Wall)

- 1.
- 2.
- 3.

- (Master Display)

- 1. Real-Time Section
- 2. Roulette-Section
- 3. Mappage Section
- 4. History Section
- 5. Timeline Section
- 6. Input section
- 7. Spectator-view (Current-camera feed)

-Filming set

- 1. [x] Lighting

- 2. [x] Camera and Comp
- 3. [] Greenscreen
- 4. [] Teleprompter
-
-

-Desk

- 1. Digitizer
- 2. Data-Entry
- 3. Brainstorming-Input interface
